*With respect to consultants, however, the Executive Officer may determine in writing that a particular consultant, although a "designated person," is hired to perform a range of duties that are limited in scope and thus is not required to comply with the disclosure requirements described in this section. Such determination shall include a description of the consultant's duties and, based upon that description, a statement of the extent of disclosure requirements. A copy of the written determination shall be retained at the Offices of the Air Resources Board and made available for public inspection. Nothing herein excuses any consultant from any other provision of this Conflict of Interest Code.
